FARMINGTON CITY FIREFIGHTER (Part-time)

Are you ready to make an impact on your community? Everyone likes to help people – and we are going to pay you for doing just that! We value diversity – in backgrounds and in experiences and we need people from all swaths of life to help build the future of Farmington. Farmington City is a fast-growing community with great family values, committed government employees. We strive to preserve and create excellence.

To be considered you will need:

- High school diploma or equivalent.
- A valid Utah Driver's License.
- Firefighter I & II certifications
- Hazardous Materials Awareness and Operations certifications
- Advanced EMT or Paramedic License
- Ability to provide 72 hours per month of availability for scheduled shiftwork.
- To maintain physical condition to perform essential duties of the job.
- To pass the annual Physical Fitness Minimum Standards.
- A strong desire to further your career through additional training and certifications.
- To perform a variety of firefighting duties related to protecting life and property of city residents and the general public.
- To perform EMS and ambulance operations as an Advanced EMT (A-EMT) or Paramedic.

You'll be a great fit if:

- You help promote and follow our mission statement, values and expectations.
- You can help promote a positive attitude among department personnel and the public.
- You are customer service oriented with the heart of a servant.
- You are a lifelong learner with a strong desire to serve others.
- You can perform under stressful conditions and stressful circumstances.
- You can maintain personal fitness in order to effectively perform the essential duties of the job.
- You can perform other duties as assigned.

What you will get:

- A productive, fun and friendly work environment.
- Challenging and rewarding experience.
- The opportunity to be part of something bigger than yourself.
- The opportunity to serve the community.
- Opportunity for growth through training, education and additional certifications.

What is the “Elbow Grease” of the job:

- You will frequently have contact with other employees and the public.
- You will frequently sit or stand for long periods of time.
- You may be required to move heavy equipment.
- You will need good vision, hearing and hand-eye coordination.
- You will have frequent climbing, balancing, stooping and kneeling.

Work Environment and Company Culture:

- Frequent exposure and great mental pressure and fatigue as a result of human behavior and emergency situations.
- Constant interaction and exposure to difficult situations, contact with the public, problem-solving and deadlines.
- Exposure to emergency situations that involve dangerous and disagreeable conditions including smoke, heights, fire, stress, hazardous material, communicable diseases, excessive noise, fumes, heat, cold, water, emergency driving, etc.
- Work assignments are broad and performed sometimes with little or no supervision.
- We care about each other, ourselves and the community in which we serve.
- We are a fun, collaborative group that rallies around our dedication to this great community in which we work.
- We aspire to greatness, while we also raise one another up.
- We promise to support you, give you meaningful challenges, and make your time with us worthwhile.

**The above statements are intended to describe the general nature and level of work being performed by the person(s) assigned to this job. They are not intended to be an exhaustive list of all duties, responsibilities and skills required of personnel. The approved class specifications are not intended to and do not infer or create any employment, compensation, or contract rights to any person or persons. This updated job description supersedes prior descriptions for the same position. Management reserves the right to add or change duties at any time.*

EXPLORE

Farmington City
