1. Home at 135 South 200 East, on a 1/2-acre with two driveways and is on the National Register (70 years old). Would like to put an office up on the main floor and an apartment in the basement. Right now, it is a single-family dwelling. On the one side of the home is parking but there is a Maple tree that has to be saved and a rock wall.
 - a. Have done a sight plain. Question will UDOT allow them to use both drives?
2. Sorrel Spring Subdivision at 638 N. Compton Road (200 West)
 - a. Evans Family; (Lance & Morco) and two sisters, 3.5 acre is not on the Sale Map, it is to be checked to see if the State Map is Wrong or why they did that. Lance would like to tear the family home down to make more room for 10 or 11 lots. We would like to save the Home, but he has the right to tear it down. It would be a loss for Farmington to have this Historic home torn down. Brainstorming how to keep it.
