

CITY COUNCIL STAFF REPORT FOR JUNE 17, 2025

To: Mayor and City Council

From: Levi Ball
Date: June 11, 2025

Subject: Adoption of FY 2025-26 Municipal Budget

RECOMMENDATIONS

- 1. Review the included budget documents
- 2. Hold a public hearing on June 17, 2025 for the FY26 municipal budget
- 3. Consider and approve a resolution to adopt the FY26 municipal budget

BACKGROUND

The recommended FY26 budget was presented to the City Council on May 6, 2025 and adopted as a tentative budget that evening. In subsequent work sessions the City Council entertained detailed presentations by city leadership for all programs and funds and discussed possible changes.

The following two changes have been identified:

- Property tax revenue On June 9 the city was notified that the State Tax Commission had
 completed their review of property values. The growth figure was more than city
 administration's projection included in the recommended budget. We now recommend
 increasing the General Fund's property tax revenue budget by \$153,000, matching the final
 amount reported for our city.
- 2. Public Safety dispatch costs and E911 revenue reimbursement Following discussions with Davis County officials, we recommend removing all revenue of E911 reimbursement budgeted in the amount of \$175,878 to the General Fund and \$117,252 in the Ambulance Fund. Furthermore, the recommended budget included an incorrect figure on the expense side payments from Farmington City to compensate Bountiful City for E911 revenue that will continue to be sent by the State to Davis County during the three-year transition period. In error, the recommended expense budget for payments to Bountiful City was higher than stipulated in the contract. We ask the Council to reduce the General Fund expense budget in the General Fund by \$28,883 and the Ambulance Fund expense budget by \$19,256.

HIGHLIGHTS OF MAJOR ITEMS

FY26 ADOPTED BUDGET

Sales Tax

Farmington has relied heavily on sales tax funding, with sales tax being the General Fund's largest single revenue source for operations, representing roughly half of ongoing sources. For years Farmington experienced rapid growth in sales tax thanks in large part to the success of Station Park and population growth. Between FY20 and FY22 sales tax increased nearly \$1M each year. However, in FY23 and FY24 that growth slowed to \$283,000 and \$182,000 respectively.

The FY26 adopted budget includes sales tax revenue of \$7,450,000 - a 4% decline from the latest projected FY25 total of \$7,750,000 (projected after receiving the distribution for March 2025 revenue, received in May 2025). Administration is taking this conservative approach based on the trend in recent months and years and on increased speculation of a potential downturn in the economy.

There is a lot to be optimistic about for the future sales tax potential of the City as North Station Park continues to develop and the County's Western Sports Park is nearing completion. It may take a few years for that growth to come to fruition.

No Property Tax Increase

The FY26 adopted budget does not include a property tax.

Staffing and Pay

- A 5% combination of cost-of-living increase and merit to all full-time employees and elected officials (excluding PD officers)
- PD step and grade adjustments In lieu of the 5% shown above PD officers will get adjusted on the step and grade scale based on years of experience. Increases will vary by officer.
- Additional budget to address compression, market adjustments, and employee reclassifications
- Budget adjustments and allocations between funds have been updated to reflect current staffing and time spent in providing services to the city's various programs
- Total full-time employees increased from 112 to 113 with the addition of a new Street Maintenance Worker. This position is funded 100% with Class C road funds and will work primarily on concrete repairs and road maintenance. This position will help prevent the city from having to pay outside contractors to do small jobs

Balancing the General Fund - Ongoing Revenues versus Ongoing Expenses

The slowing of sales tax growth has put pressure on the General Fund's ability to cover ongoing expenses with ongoing revenues. Property tax increases in recent years are proving essential to the financial stability of the General Fund. This FY26 adopted budget includes several key elements which were implemented in order to balance the General Fund without a property tax increase.

- 1) RAP Tax Up until FY25 RAP tax was largely committed to pay debt service on a \$3,500,000 bond for a portion of the 650 West Gymnasium and Park construction costs. That debt was paid off in FY25 making these funds uncommitted. The FY26 adopted budget includes a \$150,000 ongoing RAP tax transfer to the General Fund for ongoing recreation operations. There is also an additional \$500,000 one-time transfer to the General Fund for recreation-related capital projects. The General Fund heavily subsidizes the Recreation Fund and these RAP tax transfers ease that burden.
- 2) **Fund #20 Highway 89 RDA Property Tax** Up until FY25 property tax increment received in this RDA was used to pay debt service on a \$1,139,000 bond for a portion of the 650 West Gymnasium and Park construction costs. That debt was paid off in FY25 allowing \$64,000 of additional property tax in the General Fund.
- 3) **Fund #22 Station Park RDA Property Tax** This RDA area can now be closed allowing \$370,000 of additional property tax in the General Fund.
- 4) **Building Permits** Anticipating \$485,000 of additional revenue in the General Fund due to timing of development projects. Building permits cannot be relied on as a sustainable ongoing revenue source. However, in FY26 these additional funds greatly help balance the General Fund.
- 5) **Payroll Allocations** Administration reviewed how employee wages were being allocated across funds and updated them to be more accurate based on work performed. These changes resulted in about \$206,000 of Fire wages and \$65,000 of Public Works wages shifting out of the General Fund and into the Ambulance and Enterprise Funds.
- 6) **Overhead Allocations** It is appropriate to allocate costs incurred to General Fund departments which support the operations of utility enterprise funds. In the past only Administration costs were being allocated and that has been expanded to include City Attorney and City Manager. The result is nearly \$130,000 of additional expenses shifting out of the General Fund and into the Enterprise Funds.

Utility Rate Increases

The FY26 budget includes an increase on all utilities. These rate increases are necessary to ensure ongoing revenues are sufficient to cover operating expenses. The rate increases will also aid the City in addressing proper maintenance and replacement of critical existing infrastructure.

Implementation of a green waste program is being considered for FY26. The FY26 adopted budget includes \$270,000 for the purchase of cans. A final decision has not been made and the details of this program will continue to be discussed with the council. The fees and additional expenses potentially related to this program will be incorporated into the budget through a budget amendment at later date. The following chart does not incorporate the fees associated with a potential green waste program.

RESOLUTION NO. 2025-

ADOPTING A MUNICIPAL BUDGET FOR FISCAL YEAR ENDING 6-30-2026

WHEREAS, upon proper review and consideration, the City Council has held a public hearing concerning adopting FYE 6-30-2026 municipal budget;

WHEREAS, said public hearing has been held as required by law and pursuant to all legally required notices;

WHEREAS, the City Council has heard and considered all public comment advanced at the aforementioned hearing; and

WHEREAS, the attached budgets are hereby found to comport with sound principles of fiscal planning in light of the needs and resources of Farmington City Corporation;

BE IT ORDAINED BY THE CITY COUNCIL OF FARMINGTON CITY CORPORATION, STATE OF UTAH:

<u>Section 1.</u> <u>Municipal Budget Adopted.</u> The attached document entitled "Key Changes by Fund – FY26", and incorporated herein by reference, is hereby adopted.

<u>Section 2.</u> <u>Proposed Property Tax Levy.</u> There is hereby proposed a tax levy for all taxable property within Farmington City, a tax at the rate of .001660, which rate is the certified tax rate received by Davis County Auditor, for purposes of establishing the operating budget of the City.

Section 3. Miscellaneous Provisions.

- a. <u>Severability</u>. If any part or provision of this Resolution is held invalid or unenforceable, such invalidity or unenforceability shall not affect any other portion of this Resolution, and all provisions, clauses, and words of this Resolution shall be severable.
- b. <u>Titles and Headings</u>. The titles and headings of this Resolution form no part of the Resolution itself, have no binding or interpretative effect, and shall not alter the legal effect of any part of the Resolution for any reason.
- c. <u>Effective Date</u>. This Resolution shall become effective immediately upon posting.
- d. Non-codification. This Resolution shall be effective without codification.

PASSED AND ADOPTED BY THE CITY COUNCIL OF FARMINGTON CITY CORPORATION, STATE OF UTAH, ON THIS 17TH DAY OF JUNE, 2025.
